SCARS is a non-profit, primarily volunteer-operated, registered charitable organization dedicated to promoting the humane care and protection of all animals and to prevent cruelty and suffering.

Our mission is to reduce the number of homeless animals in Northern Alberta. We believe there is a suitable home for all homeless animals - young or old, large, or small.

Since 2002, SCARS has rescued and rehomed more than 12,000 animals.

We provide veterinary care and foster homes until permanent homes are found. Our foster homes provide the animals with warm shelter, food, exercise, and tender loving care - something that so many of these animals have never experienced.

To help SCARS raise money for its mission, take the pledge walk with Tails on the Trails using the form on the other side. Qualifying pledges can also be raised through your social and electronic media connections by creating a team on Canada Helps through our website at www.scarscare.ca.
